

# IT White-listing Information

---

## 2015 BEST PLACES TO WORK IN MAINE

In order to complete the Employer Benefits and Policies Questionnaire, you will need Internet access. If your company uses a third party IT vendor to filter email, you will also need to provide this information to them. You will need to adjust all filters and firewalls in order to ensure the questionnaire reaches you.

### **Requirements for External Emails**

You will need to receive email messages from the following sources:
